

C. Broadbent Is Bldg. Inspector

Feb 18, 1971
Clyde Broadbent was employed February 1, 1971 as Building Inspector and Sanitarian by the Wasatch County Council of Governments. He will issue Building Permits and inspect all buildings while in the process of construction, and will enforce building, heating, plumbing and electrical codes as adopted by ordinance in the County and the incorporated areas of Heber City, Charleston

and Wallburg (Midway Town is not joining with the Council in this venture at this time)

The Council feels that an inspector and sanitarian will provide a much-needed service to the county. He will be helpful to the builder in that he will give directions and make suggestions thereby eliminating costly mistakes with a net result of safe buildings with maximum utility to the owner.
